Dear Jackson-area Young Lawyer,

We write to invite you to join the Jackson Young Lawyers Association. We have made giving back to our members a primary focus this year, so we wanted to make sure you know the value of JYL membership.

Hopefully you know that JYL is the flagship local bar association for young lawyers. We've been networking and socializing together since 1936 (1936!).

Membership in JYL includes admission to our **Membership Luncheons**, held six times a year, usually at Hal & Mal's

on a Friday from noon to 1 p.m., and **includes lunch** (\$90 value).

We also have several **networking and social events** planned for this coming year, more than ever before. We understand the value in getting out of the office and meeting our colleagues, so we're committed to doing more of that. We plan to host our own party during the holiday season, exclusive to JYL members, and we're working on several less formal happy hours and other gatherings. Some have already declared '16-'17 as "the year of the JYL Social."

You'll also get several opportunities to give back to the bar and our community through **pro bono and service projects**. We're proud of our commitment to giving back, and membership in JYL makes you part of those efforts.

We hope you're interested in JYL, and we hope that you'll consider the annual dues as wise and lucrative investments in your career. We do.

So please join. And get involved in one or more of our committees. We're always looking for new leaders to take JYL to new heights.

If you have any questions, or if you'd like to speak with a JYL Executive Committee member about the value of JYL or how to get more involved, please don't hesitate to call or email us. Thank you.
